Volunteers Make a Difference at Casa Shalom

In this newsletter we want to honor all those that have come to help us at Casa Shalom. Those that have come to help with the construction on the house, those that have come to help teaching music or art. You have sacrificed and paid a price to come to Romania. You gave up your vacation or a semester in school to roll up your sleeves and get your hands dirty. Our children will never forget you. You are stars in their eyes! You are pictures of success, you represent freedom of expression and stability. You are confident and courageous. These qualities were non exist in the lives of our children before coming to Casa Shalom. Thank you for teaching them that it is more blessed to give than to receive.

God Bless each one of you!

Volunteering bring people together!

Did you know that 64 million Americans were volunteers last year? That's 28.8 percent of the American population and you were one of them.

Volunteers have the Magic Touch!

I shall pass through this world but once. Any good therefore that I can do or any kindness that I can show to any human being, let me do it now. Let me not defer or neglect it, for I shall not pass this way again. M. Gandhi
